# BENCH INSTRUCTIONS

## STEP 1 Seat Assembly

- Lay Bench Ends (A) flat on the ground with the front seat edge pointing up
- Lay a Plastic Seat Board (B) over the bench ends (A) closest to front edge
- Align the holes in the Plastic Seat Board (B) with the predrilled holes in the Bench Ends (A)
- Secure the board with the #12 x 2 screws (D)
- Repeat for each plastic board starting at the front seat board and working toward the back

## STEP 2 Backrest Assembly

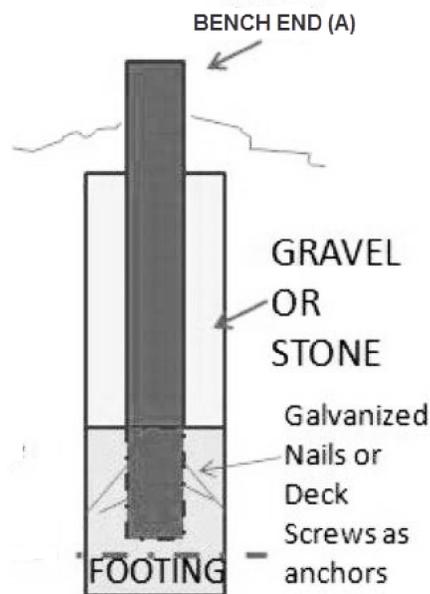

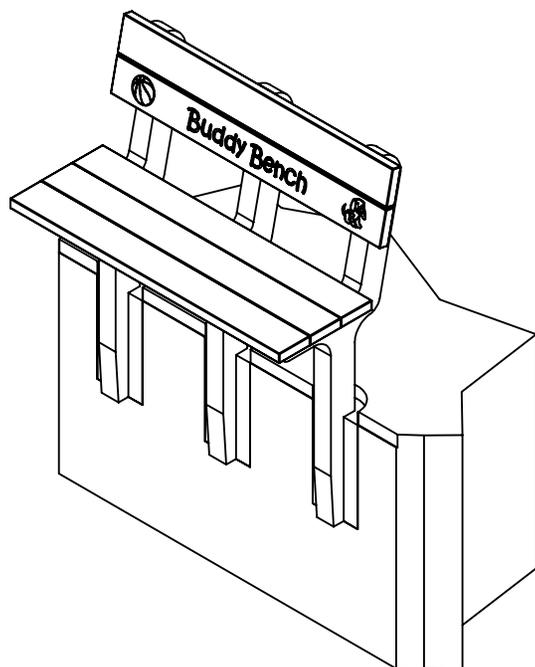

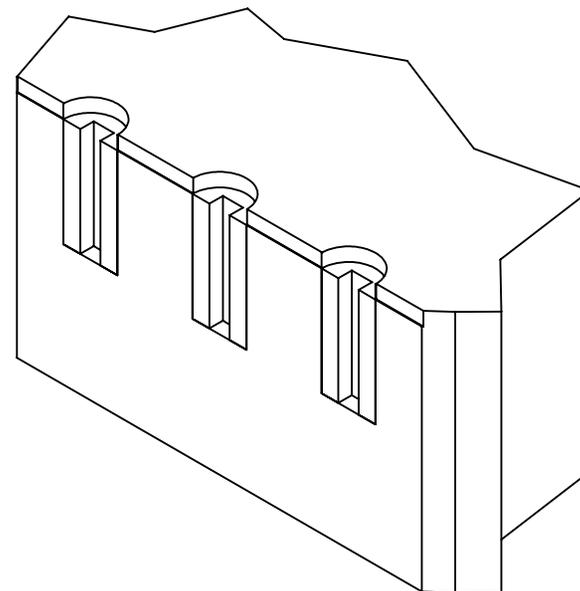

- Turn bench over so the backrest is accessible
- Hold a Plastic Backrest Board (C) up to the back rest portion of the Bench End (A)
- Align the predrilled holes in the Bench End (A) with holes in the Plastic Backrest Board (C)
- Secure each Plastic Backrest Board (C) to the Bench End (A) with #12 x 2 screws (D)
- Square all components and tighten all screws

# BENCH INSTRUCTIONS
