Special Warnings

The bench is made to sit on four legs, do not tilt back on two legs as it may result in injury or damage. The bench is made to sit on solid ground, make sure not to place on soft ground as it may result in injury or damage.

Inspect before every use; do not use if parts are loose or damaged.

This product is not a toy. Do not allow children to play with or on this item.

Assembly Steps:

Step # 1: Place all parts on a clean surface. Attach the Seat Panel (C) to the Right Armrest (B) and the Left Armrest (A) by using Bolts (E). **Hand tighten!**

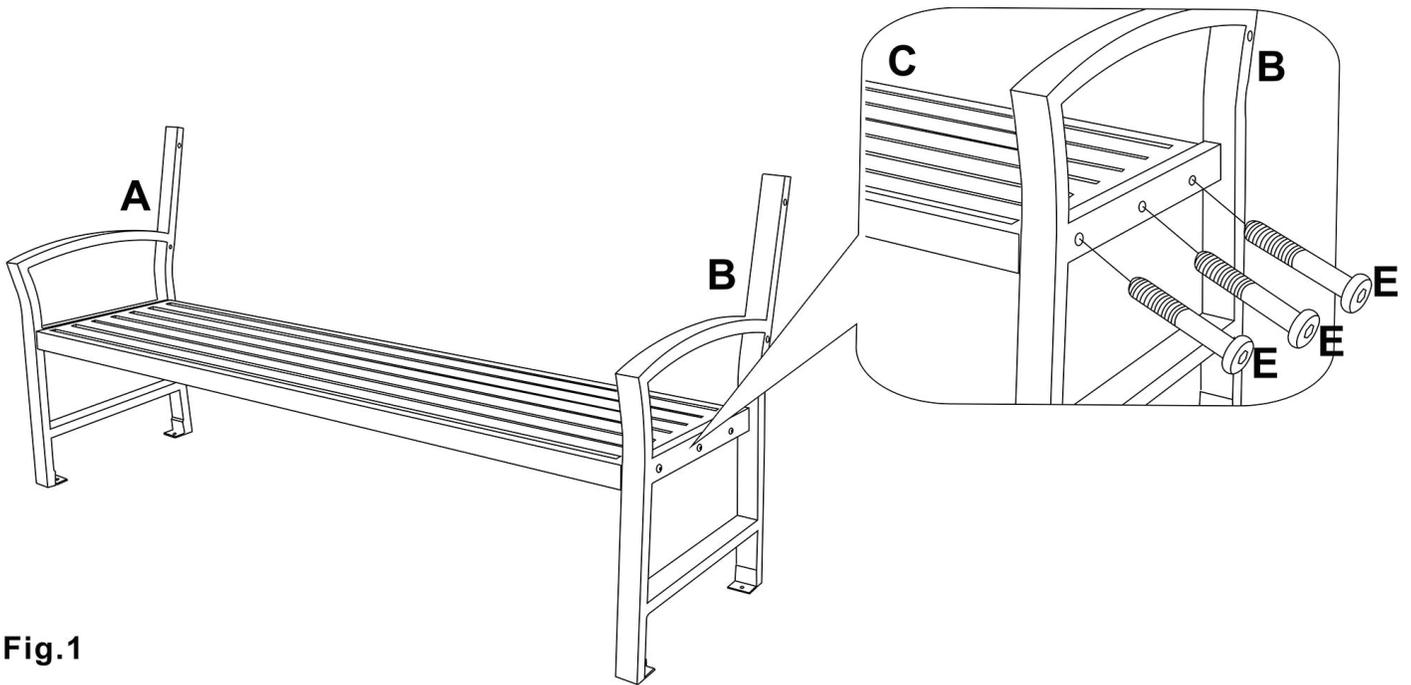

Fig.1

Step # 2: Attach the Backrest (D) to the Right Armrest (B) and Left Armrest (A) by using Bolts (F). **Hand tighten!**
Adjust the bench to a level position and tighten all the Bolts with Allen Wrench (G) (Provided).
